MARCH 16, 2020

**RE: Platinum Fitness Temporarily Closed Until Further Notice**

Dear Platinum Fitness Members,

In accordance with New York State Governor Andrew M. Cuomo's Executive Order, all gyms will be temporarily closed effective at 8:00 PM on March 16, 2020 in an approach to combat COVID-19. Therefore, Platinum Fitness will be temporarily closed until further notice. We will re-open as soon as gyms are authorized by the government to do so.

Platinum Fitness has frozen all memberships as of March 16, 2020 so that members will not be paying for any of the time they miss while the gym is closed. Memberships we re-open on the date that the gym re-opens. We will continuously provide updates through our website and phone line to keep members informed as the situation progresses.

Thank you for your patience and understanding as we continue to cooperate with government-mandated regulations to ensure the health and safety of our Platinum Fitness community.

Sincerely,

Platinum Fitness Family
